14 DARTE AVENUE  
CARBONDALE, PA.

My dear Louise,

Mom and I speak  
of you often. We're both so glad  
you are loving this school experience.

It's sweet to make new friends  
and acquaintances under school  
circumstances and I know you are  
enjoying it also.

Working - of course, but after all  
I do wager you are having lots of  
good times.
